**Business/Entity Deposit Account Application**

Thank you for your interest in a Business/Entity deposit account with RG Bank! Below is information related to opening a business account with us. Please review the following information carefully. A business account cannot be opened without a completed application and the required documentation.

RG Bank is required, by federal law, to obtain, verify and record information that identifies each business or individual opening an account. We will ask for your business’s legal name, any beneficial owner information, business address, TIN/EIN, and phone number. Please note:

- ❖ Your business account must be opened under an EIN assigned to the business entity; and
- ❖ The account name must match that for which the EIN has been assigned and that which has been registered with the Secretary of State.

Required documentation checklist:

- Completed and signed Business/Entity Deposit Account Application
- Acknowledgement of registered name from Secretary of State (e.g., Certificate of Good Standing)
- Copy of IRS letter evidencing assignment of EIN
- Evidence that your formation documents exist (e.g., pages showing the formation date and signatory authorizations of your Operating Agreement, Partnership Agreement, or By Laws).

Our team of Customer Service Representatives is here to assist you in any way we are able. If you have any questions as you review this information and application, please do not hesitate to reach out to us!

Please note that RG Bank does not currently open accounts for the following business/entities. By continuing with this application, you are certifying that you do not now, nor will you in the future, participate in activities related to:

- **Marijuana-Related Business:** While the growth, sale, and/or distribution of marijuana are legal in some states, as a federal banking institution, we are unable to provide banking services to this industry by virtue of these activities being against federal law.

- **Money Service Business (MSB):** At this time, we are unable to support the types and volume of transactions generally required by an MSB, nor can we maintain the degree of oversight required of a financial institution maintaining accounts for MSBs.
